Mansfield Cemetery & St. Peter's Catholic Cemetery Book Completed

After five years of work this major project is coming to a conclusion. In retrospect, in some ways it doesn't seem that long ago that we began planning for and working on this book. In other ways it seems as if it has taken forever. It certainly has been a labor of love.

When we started, it appeared to be a simple task. We'd just copy the records from microfilm. However, we found that not all the records were on microfilm. That meant hours at the cemetery office copying records. When all the records were copied, many more hours were spent transferring the information into the computer and later proofing the entries. Then we found another stumbling block. While walking the cemetery, I discovered that not everyone buried in the cemetery had their name recorded in the cemetery records. So, this required that the old section be walked and every tombstone checked.

When having enough time for the project became a problem for me, Missy Derrenberger, recently retired, graciously took over the project. Without her help we would still be in the working phase of this project. She spent all her spare time walking each section and becoming familiar with many families of people buried in the cemetery. I am sure she could have a job there if she wanted to come out of retirement.

Many volunteers worked on this project, but Missy Derrenberger, Nancy Hidinger, Sunda Peters, Maxine Smith, Jean Gerboc, Connie Smith, and Shirley Thompson were responsible for completing the majority of the work.

We hope you are as enthused about this work as we are. Quotes are in the mail. You will be notified when we have a publish date and the cost of the book.

February Meeting - February 24 : We will meet at 1 o'clock at the Soldiers and Sailors Bldg. in Mansfield for a tour of the museum.

March Meeting - March 31: Meet at 1 o'clock at OGS. Come dressed in old clothes. We will be working with old dirty records.

The Richland County Genealogical Society was organized in 1959 as The Ohio Genealogical Society. Members had been meeting for some five years. In 1964 it was reorganized as the Richland County Genealogical Society, the first chapter of The Ohio Genealogical Society. Meetings are normally held on the fourth Thursday of the month at 7:30 p.m. There is no July meeting. The August meeting is usually a picnic on a date to be set. The November and December meetings are combined on an evening early in December.

Any member of the Richland County Genealogical Society who is a direct descendant of an individual who lived before 1840 in the area, which was at that time encompassed by Richland County, may become a member of the First Families of Richland County upon the acceptance of an application with proof of such descent and the payment of a fee as set by the Board of Trustees. As a First Family member you will receive a certificate and a Richland County First Family pin.

The Pastfinder is published four times a year (February, May, August, and November). Members and non-members are encouraged to submit five generation charts and other family information, specifying their permission for the information to be published in the Pastfinder. Queries in the Pastfinder are free to both members and non-members.

The Richland County Genealogical Society has a volunteer research committee to answer mail inquiries related to Richland County. We will provide, as a benefit of membership, up to one hour of research free, once during the calendar year, using material in the OGS library. Patrons must pay for copies and postage. For all other requests there will be a fee of \$5.00. We will not, as a rule, do research at the Richland County Public Library, courthouse, or health department. For this we suggest you contact someone willing to do this for a fee. Below is a list of such researchers.

In 1873, the Mansfield Savings' Bank opened at corner of Main and Fourth streets. It's first officers were Barnabas Burns, President; M.D. Harter, Vice President; and S.A. Jennings, Teller. The building is still standing and has been under the name of several banking companies over the years. No longer a bank., the current owner is Engwiller Properties, Inc. They are instrumental in the restoration of buildings in downtown Mansfield.

St. Peter's German Church Marriage Records

St. Peter's German Church, sits at the top a large hill on German-Church Rd., Washington Tp, Richland Co. Founded in 1845 the first building was completed about 1847 and was made from logs. A second church was built after 1887. The third church built still stands, and is known as The Hilltop Community Church. This building has been enlarged, changing the original design. A cemetery sits beside the church. Records remain in the family of one of the past minister's, a copy of which is held by our Society and OGS. The early records are written in German. The following marriage records were located after our Society published the 1813-1861 Marriage Book. A comparison shows that not all of the marriages were recorded at the Mansfield Courthouse. All of the following marriages are from church records.

The End

1836 Chattel Taxes continued from our last issue

This Chattel Tax list is for Auburn, Bloomfield, Congress, Perry, Plymouth, Sandusky, Sharon, Springfield, Troy and Vernon Twps. A portion of Troy, A through O is missing. This book was thrown out when the old courthouse was torn down. It was purchased from an antique dealer by a dedicated genealogist and donated to The Ohio Genealogical Society, where it is stored in the Manuscript Room. The Chattel tax was divided into several portions with the state, township, county, and roads each receiving a part. **Each horse was taxed 40¢ and cattle 8¢.** Many of these townships were divided in 1845 and 1848, with portions going to other counties.

A Reminder: All spellings are as they were recorded. When reading old records be sure to consider the spelling of the name you are researching. The spelling will vary with different clerks.

Correction of Mansfield High School Event Day Picture: Left to Right: The young men in the back row should read, Leslie Cook, Arthur Nichols, George Smith, William McKay, Harry Bell, Rupert Cox. I incorrectly listed William McKay as Randolph McCray. William McKay was a sprinter and jumper, and a valuable addition to the track team.

RICHLAND COUNTY, OHIO BIRTHS - 1856

Division of Vital Statistics - Certificates of Birth

compiled by Maxine Kinton

The State of Ohio first mandated that births be recorded in 1856. Many counties failed to follow the new ruling and the attempt to record births failed after a couple of years. Many of these birth records have been lost, but we were fortunate to find a list for Richland County. We had previously understood that the records were copied at the Ohio Historical Society, in Columbus, Ohio, but they do not have any knowledge of them. At the present we are still looking for the source of these records.

Former Comrades United After Forty-One Years

A most touching scene was enacted at the flowing well at Camp Sychar Friday afternoon when two old soldiers stood face to face for the first time in forty-one years. Each knew the other and their meeting will long be remembered in the minds of those who stood about the well and saw these two old soldiers clasp hands after being separated for nearly half a century.

The soldiers were **John Weeks** of Delaware and **Daniel Yarger** of Richland county. Both of these old comrades belonged to the 32nd O.V.I. and marched with Sherman from Atlanta to the sea. Mr. Weeks was a member of Company I and Mr. Yarger was a member of Company A.

During their military career Mr. Yarger and Mr. Weeks were most intimate friends and when they parted at the close of the war each drifted in a different direction and each supposed the other was dead.

The circumstances connected with the meeting at the well on Friday afternoon were most remarkable. The two men had gone to the well for a drink. One stood at one side of the well and the other opposite him. They were bent forward, loosening the tin cups, which had become entangled in the ropes and as providence played a little part in the occurrence, both men entangled their cups at the same time, and they raised their heads at the same time to look one another in the face.

Mr. Weeks was the first to speak and with a choked voice and with tears in his eyes he clasped the hand of his old comrade. Mr. Yarger recognized his old companion and the two old soldiers stood for a few moments in perfect silence, being unable to speak. Finally the silence was broken and the two chatted together of olden times and spent a portion of the afternoon in conversation. Mansfield Newspaper - Aug 16, 1906

Mrs. Eliza Clark and Mrs. Elizabeth Ralston, of Franklin tp, celebrated their birthdays in a quiet way this month.

Mrs. Ralston was 90 years old February 1. Mrs. Clark was 92 the eighth, and just over the line in Jackson, on a farm which joins the Clark farm, on which Mrs. Clark resides, lives David Miller, who will be 92 in May.

The three venerable persons live on almost a straight line running east and west and within a distance of 2 3/4 miles. They are all in good health. Source: Mansfield Shield - Feb. 14, 1907

Calvin A. Croninger, one of the oldest and most noted men in Findlay, well known here, having been clerk of the courts of Richland county in 1852 and 1853, died Tuesday at his home in Findlay at the advanced age of 86 years. He was an active Abolitionist and was the treasurer of the "underground railroad" in this part of the line. He received his appointment from Levi Coffin, the reputed president of the entire system in the country. It is claimed that Mr. Croninger was personally responsible for the escape of nearly 500 negros from slavery to freedom. He at one time lived in Mifflin tp. Services held Friday. Durbin Spitler, about 22 years of age and was a member of Company M for about three years. He was a private in the Sixteenth O.N.G., at Fostoria and when he left that city and came to Mansfield, he procured a discharge from that regiment and enlisted in Company M. He had not been ill a day until the regiment reached Camp Wikoff and his death can almost be attributed to the privation and suffering on board the Mohawk. He was ill four days in camp before he came home. His complaint seemed to be a combination of typhoid fever, dysentery, camp fever and the like. He had been a resident of Mansfield for several years, having been employed by his uncle, A.F. Spitler, in the cold storage warehouse on East Johns street. His home is at Tiffin, where his parents reside. His father came to this city several days ago when the gravity of his son's condition was made known....he was at his bedside when death came at 3:40 Sunday afternoon. Brief funeral services were held at the residence at 10 o'clock Tuesday. The remains were then taken to Tiffin for interment.

Al W. Hines died at his home on Sturges avenue, at 1 o'clock Sunday morning from the effect of the shots fire by an unknown assassin last November. Al Hines was about 40 years of age and leaves a wife and two children. The funeral services of J. Albert Hines were held Monday afternoon at 3 o'clock from the family residence on Ritter street.

A post mortem examination of the body of **Al Hines** was held at 9 o'clock Monday morning. The physicians were able to find but one bullet. It will be remembered Hines was shot twice, both bullets penetrating his body. The attending physician probed for the balls but was unable to locate either. An X-ray examination was also a failure. The post mortem revealed one of the bullets, which was located just under the breastbone at the junction of the breastbone and first rib. It is the opinion of the physicians the other ball penetrated the spinal column, although it could not be located.

September 16, 1898

Private **Harry Hoyer** of Company M died at noon Wednesday at the Emergency hospital of malarial fever. His illness dates only from the time the company left Camp Wikoff for home. In Cuba he was able to be around and was of great assistance in caring for the sick members of the company. He was engaged to be married to Miss Eva Huss, of this city, and it is stated the ceremony was to have been performed in a short time. The funeral arrangements have not yet been made. The young man's father is living with his second wife, having separated from his first wife, who is the young soldier's mother. His mother lives at Nashville, O, and it is likely the remains will be shipped there for interment. He was a nephew of A.J. Bortz, of the firm of Johnston & Bortz.

Delbert Dewitte Rebman, a promising young man of only 20 years died at the home of his parents Sidon Rebman and wife Monday morning at 9 o'clock. The young man had been a sufferer of consumption for a year and a half. The funeral was held at 10 o'clock Wednesday morning. He was a member of the M.E. church at Olivesburg.

The death angel again unfolded his wings in this township Saturday and removed from the home of **O.P. Secrist** and wife their daughter **Dulsie**, after a brief illness of spinal trouble. He united with the Congregational church at Greenwich in his youth. He was born in Belmont county, Ohio and leaves a wife, mother and a brother to mourn his early demise. The funeral was conducted by the Rev. Gray of Ontario.

The funeral of Corporal **Durbin Spitler**, of Company M, Eighth Ohio took place this afternoon at the residence of his parents, Mr. and Mrs. A.J. Spitler, 104 Main street. The deceased was about 27 and has resided in Mansfield for the past five years. Durbin was born in Bloomville and often visited in this city. He leaves a father, mother, sister, Mrs. J.B. Fiege and a brother, Edson, of San Francisco. Although typhoid fever was the disease with which he was afflicted, the immediate cause of his death was congestion of the lungs. Interment was made at Greenlawn.

I apologize for starting in the middle of the year. After we complete the months of September through December we will go back to the first half of the year. This book was at my home from previous work and the book for the first half of the year is buried under many other newspaper books in the storage unit. When the weather warms up we will be rearranging the unit. [Editor]

- GREENSLATE:** I have a reference to an ancestor, John **Greenslate**, who is listed on a property tax list for Perry Twp. in the year 1820. My ancestor John was at St. Clair's Defeat, wounded and in the hospital at Ft. Washington Nov. 16, 1791. Married at Strode's Station, Clark Co. Ky. in 1795. Moved to Greenup Co. Ky. 1803. DOUGLAS
HUNTSMAN
AMES** Samuel **Johnston**, was probably born 1 Oct 1784 in NJ, the son of William **Johnston** and Sarah **Douglas** He is recorded on both the 1790 and 1800 Census' of Washington Co., PA. He moved to Richland County, OH sometime prior to 1830. His wife was **Elizabeth Huntsman**. Two of their children were: (1) Mary **Johnston**, born 5 May 1801 in Washington County, PA, died 15 Aug 1895, Arroyo Grande, San Luis Obispo, CA, and was married to James **Huntsman** on 19 Nov 1822 in Richland Co., OH; and (2) **Sarah Johnston**, b. 1815 in PA, d. 26 Oct 1879, and was married to Ira **Ames** on 10 Aug 1839.
There may have been more than one Samuel **Johnston** living in Richland County. There is a record of Samuel **Johnston** who had a homestead in Ontario township and his will which was proved in 1867 leaves his Ontario house to daughters Sarah and Phebe should they "wish to keep house together," which implies that this Samuel's Sarah was single. This Samuel Johnston, who's wife is also named Elizabeth, was buried along with some of his children at Pleasant Hill Cemetery, in Springfield, Richland County. Has anyone been able to verify the family information of Samuel **Johnston** and Elizabeth **Huntsman**? C.L. Albiston, 2100 Winrock Blvd. #63, Houston, TX.77057. e-mail address: clalbiston@aol.com

State Library of Ohio Moving

The State Library of Ohio is moving to 274 East First Avenue, Columbus, OH 43201. For the most up-to-date information about the move visit their website at <http://winslo.state.oh.us>.

We would like to thank our volunteers for the many hours of work they have given the Society this past year. Maxine Smith & LaDonna O'Neal for the many hours spent researching your requests, Connie Smith for proofreading the newsletter, Sunda Peters for keeping my writings grammatically correct, Jan Purvis and Missy Derrenberger for the many hours in the county cemeteries in preparation of another book, Natalie Williams for planning our programs, and Macky Cockley for the many years she served so willingly as President. We hope she will have a complete recovery from her illness. To all those I have missed, thank you, you are appreciated. Ed.
